

Dear Learner,

Netaji Subhas Open University (NSOU) is the only State Open University (SOU) in West Bengal that offers the Under Graduate (UG) Degree Programme through the Open and Distance Learning (ODL) system. NSOU is also one of the largest of such SOU's in Eastern India, both in terms of reach out and plethora of programmes offered. I therefore take this opportunity to congratulate you on the choice of the ODL Mode of higher studies.

On behalf of the entire family of Netaji Subhas Open University that is spread out all across our state of West Bengal through a wide network of Learner Support Centres (LSCs), I extend a cordial welcome to you, dear learner, for the new academic session. As a pedagogy of learning, ODL has the unique potential for blending dynamism and flexibility while ensuring parity with the highest standards of academic engagement. Such a blend, I am sure, will empower you with education that will stand in good stead as you steer through the challenges of life.

As a University, NSOU has the rare credit of enrolling near about 4.75 lakhs learners in different programmes across a wide spectrum of academic disciplines, both in conventional and non-conventional programmes. Our aim is to reach out to learners in every corner of West Bengal with a choice of options as may befit one's acumen, abilities and requirements in life. It is our time-tested conviction that this Open University is dedicated heart and soul to fostering empowerment through education.

With a vibrant green academic campus at Kalyani, Nadia fully operational; and a number of Regional Centres at strategic locations, the University is in rapid expansion mode. Today we have with us the academic excellence of enthusiastic faculty members who are continuously engaged in developing quality SLMs (Self Learning Materials) in print under National Higher Education Qualifications Framework (NHEQF) & Curriculum and Credit Framework for Under Graduate Programmes. These print materials are augmented with ICT based online and offline materials that strive to make learning a happy activity for you. In fact, our protracted initiatives at introducing ICT both for academic and administrative purposes have made NSOU a force to reckon with in all processes related to learner support. The wide network of Learner Support Centres across West Bengal ensure that you as a learner, is always in close connectivity with your University, no matter how distant you may be geographically located.

To conclude, I wish you the fulfilment of your goals with the support of and in conformity with the rules and regulations of Netaji Subhas Open University.

1. The Concept of Open University

The pedagogy of Open Learning places the primary responsibility of acquiring knowledge on the learner. On its part the University facilitates a flexible learning schedule, provides a kitty of advanced support services and offers accreditation by way of examinations.

The Open University represents an alternative approach to higher learning. It stands apart from a highly formal, institutionalized and centrally administered system of education. Its philosophy is built around the principles of universality, flexibility and innovativeness. Its ideas and institutions, its methods and procedures are all shaped accordingly. Conceptually, it can be viewed as a system drawing upon the best elements in formal and non-formal education.

The 'openness' consists of a variety of features.

First, it offers easy access to the learners. The entry requirement is not too exacting. A genuine interest in picking up knowledge is all that it expects. Consequently, it would try to embrace as many learners as possible.

Second, its territorial reach is visibly wide. It aims at bringing education to the doorstep of the learner, wherever he or she may be. Various methods of communication and contact are used for this purpose. The classroom of the University, thus, is as wide as the entire land it seeks to serve.

Third, the Open University is learner-oriented. It devises its programmes and methods of teaching to suit the needs of the learners. Their options and inclinations are given due priorities. A variety of programmes—short-term or long-term, liberal or professional can be pursued under the University.

Fourth, it believes in fair distribution of quality education, teaching aid, consultancy and study materials. Whatever resources the University has been made evenly available to all learners wherever or whoever he or she might be. It eliminates variations and discrimination.

Fifth, its administration is decentralized. In promoting Distance Education, the University creates a wide network of Learner Support Centre. Learners need only to come to the nearest available centre for collecting all information, completing all formalities, discussing their academic issues and appearing for evaluation of their work at intervals chosen by them.

Sixth, learner assessment under Open University is based on continuous assessment and credit system. It does not require learners to get bogged down in one final examination. One can study at one's own pace.

It short, the Open University seeks to open up the treasure house of knowledge to the maximum number of users. Thereby it would enhance their skills for productivity and further learning. Socially, too, the University promises steady empowerment of those who suffered backwardness for want of these skills. Considering the current trends all over the world, the Open University is going not only to complement the conventional system of higher education but may soon occupy the centre stage also in developing countries where the resources do not measure up to the vastness of the clientele.

2. Netaji Subhas Open University : Vision and Mission

Vision:

The NSOU, the only State Open University in West Bengal, delivers to build up the quality human resource base of the State and, along with other Open Universities of the country, and moves towards the improvement of the quality of open distance education. 7. Programme Structure

The New Education Policy (NEP 2020) envisions flexible curricular structures and creative combinations for studies across disciplines. Accordingly, the UGC has revised the CBCS with a new Curriculum and Credit Framework for Undergraduate Programmes (CCFUP) to further empower the flexible choice-based credit system with a multidisciplinary approach and multiple/ lateral entry-exit options. It is held that this entire exercise shall leverage the potential of higher education in three-fold ways - learner's personal enlightenment; her/his constructive public engagement; productive social contribution. Cumulatively therefore, all academic endeavours taken up under the NEP 2020 framework are aimed at synergising individual attainments towards the enhancement of our national goals.

"Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)" incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options. This will facilitate learners to pursue Undergraduate programme with single major and multidisciplinary approaches of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:

- ✓ a UG certificate after completing 1 year (2 semesters) of study and have secured 48 credits in the chosen fields of study,
- ✓ a UG diploma after 2 years (4 semesters) of study and have secured 92 credits in the chosen fields of study,
- ✓ a bachelor's degree after a 3-year (6 semesters) programme of study and have secured 136 credits in the chosen fields of study,
- ✓ a 4-year bachelor's degree (honours) after eight semesters programme of study and have secured 176 credits in the chosen fields of study,

Outline of the 4-year undergraduate with single major programme:

1. Discipline Specific Core (DSC) Course: A course, which provide the opportunity for a learner to pursue in-depth study of a particular subject or discipline.
2. Discipline Specific Elective (DSE) Course: Learners will have the option to choose courses from interdisciplinary minors. Learners who take a sufficient number of courses in an interdisciplinary area of study other than the chosen major will qualify for a minor in the chosen interdisciplinary area of study.
3. Multi-Disciplinary Course (MDC): UG learners are required to undergo 3 introductory-level courses relating to any of the broad disciplines. These courses are intended to broaden the intellectual experience and form part of liberal arts and science education.
4. Ability Enhancement Compulsory Course (AECC): The courses aim at enabling the learners to acquire and demonstrate the core linguistic skills, including critical reading and expository and academic writing skills, that help learners to articulate their arguments and present their thinking clearly and coherently and recognize the importance of language as a mediator of knowledge and identity.
5. Skill Enhancement Course (SEC): These courses are aimed at imparting practical skills, hands-on training, soft skills, etc., to enhance the employability of learners. The institution may design courses as per the learners' needs and available institutional resources
6. Value Added Course (VAC): These courses are aim to equip learners with practical skills, knowledge, and values that complement their main academic curriculum. VACs are intended to enhance learners' overall development, preparing them for various life situations and contributing to their well-being

7. Field Work/ Project/ Internship/ Seminar Presentation/ Community Engagement/ Value Added Activity: Learners may actively engage with the practical side of their learning and, as a by-product, further improve their employability.

11. Fees Structure

A learner enrolled for 4 years' Under Graduate Programme (UG) shall pay the fees according to the following manner:

Year of Study	Fees to be paid
1st Year (At the time of Admission)	¼ of Total Programme Fees + Admission Fees
2nd Year (At the Beginning of 3rd Semester)	¼ of Total Programme Fees + Studentship Fees
3rd Year (At the Beginning of 5th Semester)	¼ of Total Programme Fees + Studentship Fees
4th Year (At the Beginning of 7th Semester)	¼ of Total Programme Fees + Studentship Fees

A learner failing to clear the examination within the period of first 4 years shall have to pay a renewal fee annually in order to continue studentship up to completion of the programme or till 8th year as detailed below:

Year of Study	Fees to be paid
5th Year (Extended Registration Validity Period)	Studentship Fees
6th Year (Extended Registration Validity Period)	Studentship Fees
7th Year (Extended Registration Validity Period)	Studentship Fees
8th Year (Extended Registration Validity Period)	Studentship Fees

In order to appear in any examination within the stipulated time span of 8 years a learner shall have to clear the respective Programme fees, Admission fees, Examination fees along with the mandatory annual studentship fees.

Amount of Programme fees and Other related fees for different Programmes is available in:

- A. The pouch attached in the blurb of back side of this prospectus.
- B. The admission notification (web notification).
- C. NSOU website.

Examination fees and other fees (if applicable) will be notified through website time to time by the University.

N.B.: Paying of programme fees, studentship fees and examination fees (as the case may be) as mentioned above and submission of assignment within the due date is/are mandatory to appear in the Term-End Examination.

12. Admission to Under Graduate Degree Programmes

Admission Process:

Every year NSOU conducts an online admission process for July session, through which applicants, fulfilling the minimum eligibility criteria, can opt. for any 4-year Under graduate Degree Programme among fourteen different programmes from Arts, Science and Commerce as mentioned earlier.

* Examination Fees will be notified from time to time by the Examination Department.

Before starting of the admission process NSOU circulates admission notification through leading newspaper (indicative notification), respective Learner Support Centres and in University official website (www.wbnsou.ac.in).

Applicants are advised to go through the website admission notification for detailed admission procedure and guideline.

12.1. General Guideline

Incomplete Applications: Submission of incomplete admission forms/ renewal / examination forms and forms furnishing false information or any type of tampering with form and in supporting documents can be rejected forthwith without any intimation to the candidates. The candidates are, therefore, advised to fill the relevant columns carefully and enclose/upload authenticated copies of all necessary certificates asked for, and submit the form on or before due date.

Simultaneous Registration: Following “Guidelines for Pursuing Two Academic Programmes Simultaneously” of UGC, a learner can pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/Online programmes simultaneously. But, in the event of any clash of dates arises in counselling and/or examinations schedule between the two programmes taken, the University will not be in a position to make any adjustments for its mitigation. Any violation of this rule will lead to cancellation of the candidature of the learners concerned and in such cases no fees will be refunded.

Change of Learner Support Centre: Online application for change of Learner Support Centre after taking admission can be made together with a fee of Rs. 500/- at <https://correction.wbnsouadmissions.com>. Such application will be considered under circumstances like change of place of service, shifting of family and change of marital status only with documentary evidence.

Change of Subject / Programme / Course: Application for change of Subject / Programme / Course after admission in any UG programme will not be entertained under any circumstances. The candidates should, therefore, be very careful as regards the choice of course/subject of study before taking admission.

Cancellation of Candidature / Awarded Degree: If at any point of time during admission/ after enrolment a learner found to have furnished in correct / false / misleading / forged information, his/her candidature/ learner-ship will immediately be cancelled by the University and fees paid by the said learner shall not be refunded.

If furnishing of false information is detected even after award of degree, the said degree will be cancelled immediately.

Note: Course fees, Admission fees, Studentship fees, Examination fees once paid will not be refunded (for further refund policy visit our admission website).

13. Renewal Rules

The studentship of a candidate will be void if the candidate fails to renew his/ her studentship by paying the programme fees and or studentship fees in due time as mentioned in the Fee Structure. Every year the University opens its online renewal portal (www.wbnsouadmissions.com) for the UG learners to enable them to renew their studentship.

Schedule: University open its online Renewal Portal for the enrolled learners of UG programme tentatively in the month of June.

NB:

- Paying of programme fees, studentship fees and examination fees as mentioned in the fee structure is mandatory to appear in the Term-End examination.
- Learners are advised to preserve all the payment receipt related to any fees submission, as and when notified by the University, for future reference.
- Amount of Programme fee and studentship fee for different programme is available in the pouch attached in the back side of this prospectus and in renewal notification (web notification).

14. Self-Learning Materials

The University provides its learners Self Learning Materials (SLM) in printed and/or digital form for all subjects, to be studied and learnt by them at their convenience. An enrolled learner can collect his/ her SLM from the respective Learner Support Centre by producing RECEIPT OF SLMs as and when issued by the University. The softcopy of the SLMs are available in the NSOU LMS: www.nsouict.ac.in which is password protected. Learners can download the softcopy.

15. Methods of Instruction

The University makes use of several methods to provide maximum possible exposure of the learners to the course-contents and to each instructional programme. To start with, printed SLMs (Self Learning Materials) packages and contact programmes involving face-to-face interaction with academic counsellors are available. Moreover, Audio-visual presentations, Teleconferences and occasional discussion sessions through Web TV and Web Radio channels have been introduced.

Personal Contact Programme (PCP): Each accredited Learner Support Centre organises PCP Sessions on weekends/holidays and notifies the same to the learners. Learners are recommended to read their SLMs thoroughly before participating in the PCP session to find it immensely useful. **For each 4 credit of a theoretical course there will be maximum 12 hours PCP sessions.** In addition to these face to face PCP, some online sessions will also be arranged by the University. During these sessions, academic counsellors will help the learners with their study. Attendance at PCPs are optional for most courses, unless otherwise specified.

Practical Session: Practical Sessions or Laboratory Counselling-cum-evaluation Sessions (LCES), for Core and Discipline Specific Elective course of science stream, are arranged in some selected centres by the University for the learners who have enrolled for the particular subjects. Centres for practical work will be allotted by the University. There are at most two practical courses in the three odd semester (I, III and V) for the three years of study of each honours science subject. The practical work for Core and Discipline Specific Elective course is generally arranged during puja vacation/ post puja holidays as far as practicable for 12 (twelve) days from 9 A.M. to 5 P.M. each day. **Regular attendance throughout the practical session by each and every learner are mandatory.** A circular with details of venue and schedule for practical sessions will be sent to the respective Learner Support Centre and also published in our official website (www.wbnsou.ac.in).

Massive Open Online Courses (MOOCs): To enhance digital learning in the country, Government has approved National Mission on Education through Information and Communication Technology (NME-ICT) in the year 2009, to provide high quality personalized and interactive knowledge modules over the internet/intranet for all learners

in higher education institutions in anytime anywhere mode. Through this scheme the Ministry is providing connectivity to all colleges and Universities and providing high quality e-content free of cost.

The main aim of MOOCs is to provide new opportunities to a massive number of learners to attend free online courses from anywhere all over the world. This will enrich the learning experience by using audio-video and multi-media and state of the art pedagogy/technology. In order to ensure best quality contents, the SWAYAM has 4 quadrants:

- a) Video lecture – Q1
- b) E-content: Specially prepared reading material that can be downloaded / printed – Q2
- c) Self-assessment tests through tests and quizzes – Q3
- d) An online discussion forum for clearing the doubts – Q4

Netaji Subhas Open University proposes to adopt MOOCs for some course under NEP 2020 as a preference as per UGC guidelines. Learners willing to choose MOOCs course as an option of study are advised to visit University official website for detailed instruction. In this regard, enrolled learners may communicate with Concerned School of Studies for guidance during their study of the programme.

16. Medium of Instruction

The Self Learning Materials (SLMs) for different courses (except for Bengali) are available in Bengali/English language (see respective programme structure). However, as a State level endeavour, teaching learning process for Under Graduate degree programmes are done in vernacular. A learner is free to write answers for home assignments and in Term-End Examinations in Bengali/ English. But, in such cases mixing of language that is some part in Bengali and some part in English is not acceptable.

17. Evaluation Process

The Evaluation of each subject will be made in following ways:

a) Assignment / Internal Assessment / Continuous Assessment / Formative Assessment:

Assignment submission is an interaction between the learner and the teacher. It has a very important role to play in the teaching-learning process in distance education. So, submission of Assignment is mandatory for all learners. The assignment responses reflect what the learners have understood and learnt. The assignment answer scripts are returned to the learners so that the assignment answers serve the purpose of providing feedback to the learners and inform them their strengths and weaknesses. In view of this fact, learners are asked to submit online (dedicated portal) Assignment and then download and print out the evaluated answer script(s). Preservation of hard copy of each answer script is mandatory for all learners.

Learners will be required to submit assignment for each course and the marks obtained on evaluation of those assignment will be entered into his/her individual record of performance. This will constitute 30% (maximum) of the Full marks in the course as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) regulations, 2020. All the Marks secured by the learners will be progressively entered into the result card.

Every learner is required to submit the assignment through examination form submission before each Term-End Examination which is due at the end of each semester. **But in no**

case a learner shall be allowed to sit for the examination if he/she has not submitted assignment within the due date as announced by the Examination Department of the University.

In practical course of Science stream, there is no assignment.

NSOU website: You may also access all relevant information and assignments from the University website at www.wbnsou.ac.in.

b) Term-End Examinations:

80% of the total credit points of the course (except practical course where it is 100%) would be reserved for Term-End Examination as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020.

Minimum qualifying marks in each course is 30% **(Term End Examination Marks + Assignment Marks).**

c) Practical Examination / Laboratory Counselling-cum-Evaluation Sessions (LCES) for Lab based subjects:

Practical Sessions or Laboratory Counselling-cum-Evaluation Session (LCES), for Core and Discipline Specific Elective courses of Science stream, are arranged by the University for the learners who have enrolled for the particular programme. Centre for practical work (LCES) will be allotted by the University.

The practical work for Core and Discipline Specific Elective courses are generally arranged as follows:

Sl. No.	Day	Activities	Marks
1	1st Day	Introduction	0
2	2nd to 11th Day	Continuous Practical Session	70%
3	12th Day	Practical Examination	30%

A circular with details of venue and schedule for practical sessions will be sent to the respective Learner Support Centres and also published in our official website (www.wbnsou.ac.in) before the commencement of LCES.

Minimum qualifying marks in each practical course is 30% (Term End Examination Marks).

d) Massive Open Online Courses (MOOCs):

Learners choosing MOOCs under SWAYAM as an option of study are advise to visit University official website for detailed instruction. University will duly frame **Credit Transfer Policy of Massive Open Online Courses (MOOCs) following UGC guidelines.** Modalities related to evaluation process will be notified by the concerned School of Studies.

18. Evaluation Method

In Open and Distance Learning (ODL) mode of education in case of theoretical courses the learners would be subject to continuous evaluation in the form of Assignments. **Result will be calculated based on 20% of the marks obtained in the assignment and 80% of the marks obtained in the term-end examination as per University Grants Commission (Open and Distance Learning Programmes and Online Programmes) Regulations, 2020 (for details, please see respective programme structure).** However, in case of Practical courses in Science subjects, 100% will come from the performance in Term-End Examinations (LCES).

Continuous evaluation of theoretical courses is made on the basis of assignment which every learner is required to submit before each Term-End Examination.

Term-End Examinations are held at the end of every semester. Learners who intend to appear at a Term-End Examination are required to fill in application forms as per notification issued by the Examination Department of the University (134/1, Meghnad Saha Sarani, Kolkata-700 029) from time to time.

It is also noteworthy that the marks obtained in each course would be a summation of Assignment Marks (A) and Term-End Examination Marks (B) except practical courses.

One credit is considered to be equivalent to 30 (thirty) hours of study time (which includes all the learning activities) devoted by the learner her/himself.

The details of the credit given below:

Total credit: 176 or 4800 marks

Course component wise division of credit points:

Course Components	No. of Courses	Total Credit	Total Marks
Discipline Specific Core (DSC)	23	23 × 4 Credit = 92	23 × 100 = 2300
Discipline Specific Elective (DSE) Course	8	8 × 4 Credit = 32	8 × 100 = 800
Skill Enhancement Course (SEC)	3	3 × 4 Credit = 12	3 × 100 = 300
Multi-Disciplinary Course (MDC)	3	3 × 4 Credit = 12	3 × 100 = 300
Ability Enhancement Course (AECC)	4	4 × 4 Credit = 16	4 × 100 = 400
Value Added Course (VAC)	2	2 × 4 Credit = 8	2 × 100 = 200
Field Work/Project/Internship/Seminar Presentation/ Community Engagement/Value Added Activity	1	1 × 4 Credit = 4	1 × 100 = 100

19. Examination Pattern

Examination Pattern:

University holds semester-wise Term-End examination according to the following pattern. A learner will only be allowed to appear in backlog course(s) of EVEN semester in the next EVEN semester. Similarly, a learner will only be allowed to appear in backlog course(s) of ODD semester in the next ODD semester.

Year	Semester	Courses
1st Year	1st Semester (ODD Semester)	DSC-01, DSE-01, SEC-01, MDC-01, AEC-01, VAC-01
	2nd Semester (Even Semester)	DSC-02, DSE-02, SEC-02, MDC-02, AEC-02, VAC-02
2nd Year	3rd Semester (ODD Semester)	DSC-03, DSC-04, DSE-03, SEC-03, MDC-03, AEC-03
	4th Semester (Even Semester)	DSC-05, DSC-06, DSC-07, DSE-04, AEC-04
3rd Year	5th Semester (ODD Semester)	DSC-08, DSC-09, DSC-10, DSC-11, DSE-05
	6th Semester (Even Semester)	DSC-12, DSC-13, DSC-14, DSC-15, DSE-06
4th Year	7th Semester (ODD Semester)	DSC-16, DSC-17, DSC-18, DSC-19, DSE-07
	8th Semester (Even Semester)	DSC-20, DSC-21, DSC-22, DSC-23, DSE-08

Credit wise examination duration in Term-End Examination:

Course & Credit	Course Type	Total Marks	Assignment Full Marks (Weightage)	Term-End Full Marks (Weightage)	Duration of Term-End Examination
DSE 23 Courses having 4 Credits	Theory	100	30 (20%)	70 (80%)	3 hours
Other than DSE Courses having 4 Credits	Theory	100	30 (20%)	70 (80%)	2½ hours

Note: For practical courses, there is no assignment mark, full marks will be evaluated in Term-End Examination (TEE) only.

Massive Open Online Courses (MOOCs): University will duly frame **Credit Transfer Policy of Massive Open Online Courses (MOOCs) following UGC guidelines.** Other related modalities will be notified by the concerned School of Studies.

NSOU always endeavours to adhere to the academic calendar for conducting examinations and publishing the results on top most priority. However, being an Open University the functions of NSOU depend a lot on the participation of the academic counsellors and secretarial staff of the Learner Support Centre which are located in the colleges affiliated to the other State Aided Universities of West Bengal. In case of some unlikely events functioning of the Learner Support Centres may be affected which is beyond the control of NSOU. These may lead to deviations from the academic calendar under the existing system. Such unintentional deviations cannot be totally ruled out. In such cases NSOU will always strive to minimise such delays. Despite its best efforts, NSOU, however, cannot guarantee finalization of the results in some cases. In those cases pending finalization of the result of the last examination, before the commencement of the next examination, the learners concerned may be advised to fill in the application form for examination within the scheduled date. But in case a learner is found not to have cleared the examination after filling up of the application form for the next examination, the application shall be treated as cancelled.

20. Grading System

Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA): The SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) pattern suggested by UGC will be followed to award Grades to the learners.

Semester Grade point Average (SGPA):

The semester grade point average (SGPA) will be the weightage average of the numerical grade points obtained in all the courses of the given semester, where weights refers to the credits assign to the concern courses. If the numerical grade points obtained by a learner in different courses of a semester are denoted by P_i and the credit of the corresponding courses are denoted by C_i , the SGPA will be

$$\frac{\sum (P_i \times C_i)}{\sum C_i}$$
 where $i=1$ to n , and n = no. of courses in the semester. The SGPA shall be shown in the marksheet upto the 3rd decimal point.

Cumulative Grade Point Average (CGPA):

Cumulative Grade Point average (CGPA) over six semesters shall be the weighted average of the six SGPAs.

$$CGPA = \frac{\sum (SGPA_j \times C_j)}{\sum C_j}$$
 where $i=1$ to 6. CGPA shall be calculated and shown up to three decimal places. $SGPA_j$ is the SGPA of the j th semester ($j=1$ to 6) and C_j is the total credit of j th semester used for Grade Point Calculation.

A 10-point grading system shall be followed for the purpose of Grade Point Calculation, as shown below:

Percentage of Marks	Numerical Grade Points	Grade Letter	CGPA	Remarks
≥ 90% to 100%	9.0-10	O	9.000-10.000	Outstanding
≥ 80% but < 90%	8.0-8.9	A+	8.000-8.999	Excellent
≥ 70% but < 80%	7.0-7.9	A	7.000-7.999	Very Good
≥ 60% but < 70%	6.0-6.9	B+	6.000-6.999	Good

Percentage of Marks	Numerical Grade Points	Grade Letter	CGPA	Remarks
≥50% but <60%	5.0-5.9	B	5.000-5.999	Average
≥40% but <50%	4.0-4.9	C	4.000-4.999	Fair
≥30% but <40%	3.0-3.9	D	3.000-3.999	Satisfactory
<30%	0	F	0.000-2.999	Fail

Numerical Grade Point shall not be calculated in respect of a failed course.

The multiplicative factors shall be 0.10 for all grades for the purpose of calculating numerical grade points.

Example:

If the learner secures P%, where $P \geq 30$, his/her grade point will be

$[3.0 + \{(P - 30) \times 0.1\}]$ or simply $30 \times 0.10 = 3$

If a learner scores 52% in a particular course, his/her grade point for course will be

$(3.00 + 0.1 \times 22) = 5.20$ or simply, $52 \times 0.10 = 5.2$

Both SGPA and CGPA will be rounded off to the 3rd place of the decimal and will be shown as such on the grade sheet. The grade sheet issued at the end of each semester shall include the total marks obtained in each course (SGPA will be calculated for semester only after clearing all courses by a learner in that particular semester) as well as the SGPA, the total marks obtained in that semester and credit earned in the semester concern. The final grade sheet, on completion six semesters, shall include the SGPA of six semesters, CGPA, letter grade, the marks obtained, total marks and the total credits earned.

20.1 General Guideline for Examination System

I. Semester System:

The structure of the syllabus is delineated in term of semester each of 6-month duration. The Term-End Examination (TEE) are held on completion of each semester. The TEE results are shown in the Progress Report. However, the final result published after clearing of all this Courses will be given in the Mark Sheet.

II. Review System:

The University has no formal review system for UG programmes. As such, it takes all possible precautions at every step of examination/evaluation/ publication of results, so that no learner may feel affected.

III. Change of Examination Schedule:

As such the scheduled date of Examinations will not be changed (even to accommodate any other/ public examinations). However, in any unavoidable circumstances the date of Examination may be changed and in such cases the decision of the University will be final.

IV. Examination Centre:

Examination may be conducted at Regional Centre of NSOU or at any Government Affiliated Institution. However, decision of the University in this regard is final.

V. Examination Day:

University can fixup the examination date either on weekends or on working days. However, decision of the University in this regard is final.

VI. Cleared/ Pass:

A learner who has cleared a course in an examination shall not be permitted to

reappear in that course in subsequent examinations. A learner who has successfully completed a programme he/ she has registered for, shall not be permitted to reappear in that programme.

VII. Irregular appearance:

If a learner appears in examination without valid Admit Card issued by Controller's office or without roll no. his/ her appearance in examination will be treated as irregular and his/ her answer script will not be evaluated.

VIII. Availability of Answer Script:

Written assessed answer script for all University Examinations shall not be preserved by the University beyond three months from the respective dates of publication results.

For any other information related to examinations, the NSOU website and/or the Examination Department of the University may be visited or contacted.

21. Learner Support Centre (LSC)

The University provides various learner-support services through a network of Learner Support Centres. A list of Learner Support Centres along with the subjects offered is enclosed. These centres cover all the districts of the State & are located at convenient points connected by public transport. A Learner Support Centre is placed under the supervision of a coordinator to be monitored by the Governing Body through the Principal of the College, and assisted by the staff of his office. It provides all kind of Learner Support Services.

At the beginning of each session, Learner Support Centres invite the learners for an induction meeting where they are familiarized with the aims, objectives and activities of the University and the methodology of Open Distance Learning.

The Learner Support Centres draw schedules of counselling sessions and notify the same for the learners. Normally, the counselling sessions are held during weekends and periods of vacation of the host institutions.

For Prospectus, SLMs, Assignments, Information etc. learners should contact the Learner Support Centres.

In short, each Learner Support Centre acts as the day-to-day link between the learner and the University. Learners are expected to conduct themselves in a worthy and dignified manner to maintain high academic and moral standards.

21.1. List of Learner Support Centres along with approved programmes (UG: 2026-27)

Sl. No.	LSC Code	Learner Support Centre	Address	Programmes on Offer

23.2 Student Service Centre (SSC) - Your Dedicated Support Hub

To ensure our learners not to feel isolated, exhausted, or lost in their academic journey to achieve their goals, 'Students Services Centre' (SSC) of Netaji Subhas Open University has been established in strict accordance with UGC guidelines.

What exactly is the SSC?

It is a 'Single-Window System' designed specifically for the learners, which implies that they will no longer have to run from pillar to post for any academic, psychological, or institutional issues. One may receive all the necessary assistance from one centralized point.

Our Core Services includes

- **Expert Counselling:** Professional counselling available in-person, online, or via telephone to help you overcome exam anxiety, work stress, or loneliness.
- **Complete Confidentiality:** Your mental health and personal discussions will be kept 100% confidential.
- **Physical and Mental Well-being:** "A healthy mind resides in a healthy body." Therefore, alongside academics, we actively encourage yoga, pranayama, and sports.
- **Prompt Grievance Redressal:** Swift legal resolution and proper guidance for complaints related to women's safety, ragging, or any other form of harassment.

For any assistance, email us at: ssc@wbnsou.ac.in or call the Central Government's 'Manodarpan' toll-free helpline: **8445440632**.

23.3 Library Support Services

Library facility is one of important services in any higher educational institution. In addition to the Self Learning Materials (SLMs) and other learning resources the University

provides library facility to all of its registered learners. The Library Department, Netaji Subhas Open University is located at Kalyani Campus, Ghoshpara Station Road, Kalyani, Nadia-741235.

Library Hours : Monday to Friday—12.00 noon to 04.00 PM, Saturday and Sunday (during PCPs and practical session)—12.00 noon to 04.00 PM.

Instructions to the learners for obtaining library service : Learners have to fill up a **membership registration form** available at library office and have to submit the filled in form in any working day. Thereafter, a **membership card (not transferable)** will be provided to the learners. Learners without the library card will not be allowed to access the library.

Facilities for learners : Reading, reference, online public access catalogue (OPAC), inter library loan, computer, internet access, e-mail, website service, telephone, scan with the help of smart phone. E-resources of the Library Department may be accessed from following locations:

23.4 ICT Support Services

Every year thousand of students take admission in various programmes of the University. All the services are made available to the learners through a network of Study Centres and Regional Centres of NSOU. The University takes all possible steps to reach its thousands of learners through Information and Communication Technology (ICT). The University has established ICT based **Student Support Cell** which addresses the issues raised by the students either through mail or SMS. Learners are advised to follow the website in regular interval for latest notice/ information etc. The students may take full advantages from the following services as provided by the University towards the completion of their course successfully.

Online support services: The university has developed a mechanism for SMS alert to communicate the registered students with all information/ notice etc. A dedicated Student Support Cell has been established to receive phone calls and redress the grievance of the students within two working days. Automatic ticket generation for each call is maintained.

Call at: 033-4058-5127; e-mail: admin@nsouict.ac.in.

Learning Management System (LMS): We have dedicated a web portal to host LMS. Presently all the UG Learners of the University can access academic content with their user ID and Password through this dedicated LMS. Academic content including course materials and audio-visual lectures, online counselling session are available to facilitate any time anywhere learning (<http://www.nsouict.ac.in>).

School of Professional Studies	School of Humanities	School of Social Sciences	School of Sciences
Commerce and Economics	Bengali and English	History, Political Science, Public Administration and Sociology	Botany, Chemistry, Geography, Physics Mathematics & Zoology

OER Repository: Only state aided university in West Bengal having the OER repository. The course materials and audio-visual lectures with appropriate open license are made available through this repository free of cost. Learners of any University may access / get these academic resources online (<http://nsouoer.krc.net.in>).

A/V Lectures: To supplement face to face counselling, the university has taken initiatives to develop audio-visual lectures delivered by eminent teachers/ experts. The A/V lectures are made available through LMS and OER Repository. The learners may have a new learning experience through www.nsouict.ac.in

M-learning/Mobile APP/Web TV/Web Radio : The LMS is made compatible with the android application so that the learners can get all the academic content through their mobile devices.

24. Students' Grievance Redressal Committee (SGRC)

For any grievance, learners can register their complaints through online Students' Grievance Redressal System. Details of grievances can be submitted using the link leading to Students' Grievance Form available on the University Website (www.wbnsou.ac.in) either by e-mail (sgrc@wbnsou.ac.in) or by post (SGRC, NSOU, DD-26, Sector-I, Salt Lake City, Kolkata-700 064).

25. NSOU Policy Regarding Sexual Harassment of Women at the Work place

In compliance with the **Sexual Harassment of Women at Workplace (Prevention,**

Prohibition and Redressal) Act, 2013 and subsequent UGC directive, Netaji Subhas Open University has adopted a policy that aims to prevent/prohibit/punish the offenders of sexual harassment of women at the workplace and has constituted **Internal Complaints Committee** in order to deal with the complaints of sexual harassment of women employees in the different campuses of the University.

Information on this policy, rules and procedures can be accessed on the UGC website (www.ugc.ac.in). Incidents of sexual harassment may be reported to the Coordinator, Learner Support Centre/Principal of the Institute where the Learner Support Centre is located.

26. Anti-Ragging Mechanism of NSOU

The *Anti-Ragging Committee* at Netaji Subhas Open University is dedicated to fostering a safe, respectful, and inclusive environment for all enrolled students joining the academic programmes. The university upholds a zero-tolerance policy towards ragging in any form, be it physical, verbal, or psychological. Since it's an Open and Distance Learning University, the academic activities are carried out through different Learner Support Centres (LSCs); so any such incident if it occurs needs to be brought to the notice of the LSC first without delay and concerned LSC is to report the incident to the university competent authority at the earliest.

At NSOU, we believe that every student has the right to pursue their academic goals in a secure and supportive atmosphere. We encourage all students to join us in our commitment to making educational journey a ragging-free experience. If you ever witness or experience any form of ragging, please do not hesitate to reach out to any member of the Anti-Ragging Committee [https://www.wbnsou.ac.in/important_links/20240802_NSOU_Antiragging_Information.pdf].

27. Waive of Programme Fee

This fee concession scheme is only applicable for transgender learners. Transgender applicants are advised to submit an application after getting admission to a UG Programme and or after submitting renewal fees to the Learner Support Centres. The application should be addressed to the Registrar, Netaji Subhas Open University and should be forwarded by the Coordinator of the respective Learner Support Centre.
